PROFILE SUMMARY

Hi, I'm Mushriful Islam Arpon. I am currently 21 years old, pursuing B.Sc. Bachelors Degree. The world of coding and web development always interested me so much to the point that I studied and learned HTML, CSS and Javascript. Furthermore, I'm learning React.js now and will finish it pretty soon. I specialize in building user-friendly, responsive websites with a strong understanding of UI/UX. Have a keen eye for design and attention to detail.
